Non Guaranteed Plan -the total price of the plan shall be based on the current cost of the services at the date of the beneficiary's death based on the then current price list.
*Guaranteed Plan. The total price of the Plan is the current cost of the services set in the Plan ($950.00). Your price will not change and is guaranteed as long as all payments are made as required by the Agreement.

Both accounts accrue interest, however, the guaranteed plan allows for any excess interest to go to funeral director at the time of death. Excess interest accrued on the non-guaranteed plan is refunded to the family.
